How it works

- 1 Book an appointment**
Go to DispatchHealth.com or call 253-617-4010. You'll answer a few questions about how you're feeling to make sure it's safe to treat you at home.
- 2 Get care at home**
DispatchHealth's credentialed medical professionals will come to your house. They'll bring any needed equipment with them. Remote support from an emergency medicine doctor is just a call away.
- 3 DispatchHealth handles the rest**
After the visit, DispatchHealth takes care of everything for you. This includes calling in your prescriptions, updating your doctor, and handle billing with your insurance company.*
